Conditions precedent to **tax protection claims**

How we deal with tax protection claims under your commercial legal protection policy

(A Step By Step Guide to Your Tax Claim)

Your business is required by law to submit accounts and pay tax to the Revenue Commissioners. This policy will pay **your** accountant's costs as specified in the policy schedule if the Revenue Commissioners carry out a full revenue audit of **your business** accounts provided that these guidelines are followed.

Please Note: Single head revenue audits in respect of VAT, PAYE or Social Insurance Regulations are not covered under this policy.

Notifying us of your claim

- (1) If **you** receive notification from the Revenue Commissioners, **you** or **your** accountant can contact **us** by phone on 01 670 7470. **We** can send **you** a claim form and give **you** advice about how to make **your** claim. **We** cannot confirm cover for **your** claim over the phone.
- (2) When **we** receive the information **we** need to help **you** with **your** claim **we** will appoint an accountant to act for **you**. If **you** wish **us** to appoint **your** own accountant **you** must send **us** the person's name and address when **you** send **us** **your** completed claim form. The accountant appointed by **us** to act for **you** is referred to as the "**appointed representative**" in **your** policy and in the guidelines below. **We** will not pay for any accountant's costs that have been incurred for work carried out before **we** have accepted **your** claim.

Handling your claim

- (1) **ARAG** tax protection covers the cost of representing **you** in a full revenue audit and in any appeal proceedings in respect of a Revenue Audit as specified in the policy schedule.
- (2) Once **we** have accepted **your** claim and have arranged for an **appointed representative** to deal with it **we** will agree with the **appointed representative** what work is to be carried out on **your** behalf and the fees that are to be covered under **your** policy.
If it is not possible to agree a budget with the **appointed representative**, **we** reserve the right to limit the sum payable under the policy to an amount that is necessary and reasonable in the circumstances.
- (3) The Revenue Commissioners will request information about **your** accounts. The **appointed representative** will prepare this information. They may also be required to meet with the Revenue. Your policy will cover the cost of any necessary meetings provided that **we** have consented to **your** accountant attending. If it is not possible to negotiate a settlement with the Revenue Commissioners and **you** wish to appeal against the tax demanded **we** will pay for the **appointed representative** to represent **you** in appeal proceedings provided that **reasonable prospects** exist.
- (4) If at any time during the full revenue audit the level of fees that **we** have agreed with the **appointed representative** is expected to change **we** must be informed of any additional work considered necessary and agree in advance any additional fees to be paid under **your** policy.

When we cannot help

- (1) Please note it is a condition of **your** policy that **you** have taken reasonable care to ensure all returns are complete and correct and are submitted within the statutory time limits allowed.
- (2) If the **appointed representative** has to carry out routine accounting or corrective work **you** will need to pay any fees for this out of **your** own funds. It is not normally considered appropriate for accountants to carry out review work on records prior to submission to the Revenue Commissioners but if the **appointed representative** considers this is necessary **we** will pay the cost of this provided that **we** have consented to the work being carried out.
- (3) The **insurer** will not pay costs that have been incurred because the **appointed representative** has failed to follow the procedures **we** have specified or has charged fees that **we** have not agreed to pay.
- (4) Please note the exclusions on **your** policy in relation to dishonesty, and all other terms and conditions applying to the policy.

Settling your claim

- (1) **We** will tell the **appointed representative** about how **we** will settle their invoice when the audit has been completed.

Other types of tax protection claims

Disputes arising from Employers' compliance with PAYE or PRSI contributions following a **single head revenue audit** by the Revenue Commissioners or Department of Social Community and Family Affairs; and appeals in relation to VAT assessments following a **single head revenue audit** are also covered by **your ARAG** Commercial Legal Protection policy.

If **you** need to notify **us** of a claim that arises from either of these circumstances please follow the instructions outlined in **(1)** and **(2)** above '**Notifying us of your claim**'. **We** will adopt a similar approach when dealing with these claims as for Revenue Audits (refer to paragraphs **(1)** to **(4)** above '**Handling your claim**') although the actual work carried out by the **appointed representative** will differ. Please note **we** cannot cover disputes with the Revenue Commissioners that result from **your** failure to register **your business** for VAT.

Procedure for representatives when dealing with tax protection claims

The information below details the procedure to be followed by the representative when dealing with **your** Tax Protection claim. **We** will send these instructions to the representative when **we** appoint them to deal with **your** claim.

Instructions for the Representative

In **our** experience it is normally necessary for the representative to undertake the following work:

(1) Provide information requested in the Revenue Commissioner's initial letter.

This should not involve significant re-analysis work. If the information is available, albeit in slightly different form in **your** working papers, the Revenue should be invited to accept it as it is in **your** papers.

(2) Submission (or making available) of business records.

Responsibility for the retention and orderly maintenance of **business** records rests with the policyholder. **We** will not expect to incur significant professional costs associated with their submission to Revenue. It will not normally be considered appropriate for the representative to carry out review work on the records prior to submission to the Revenue. If it is felt that any such work is necessary, advance agreement of the costs is required. Please send **us** a copy of the covering letter sent with the audited accounts at the time of filing.

(3) Submission of private financial information, if appropriate to the audit.

(4) I identify reason for audit.

(5) Possible limited further correspondence preparatory to any meeting with the Revenue.

(6) Meeting with the Revenue Inspector.

Where appropriate, meetings with the Revenue can be a productive means to resolve outstanding issues. However, the time involved inevitably makes them expensive in terms of professional fees. It is therefore vitally important that the purpose of the meeting be clearly agreed, in so far as possible in advance, so that the meeting time can be used effectively to resolve remaining issues.

The reasons for a meeting should be set out by the Revenue along with the subjects for discussion. It is particularly important that the Revenue be asked to set out in advance any issues which the policyholder may be unlikely to be able to answer from memory, in order to facilitate closure of the audit.

As in all insurances there is an obligation for the policyholder and on the representative acting for them to take reasonable steps to minimise the costs payable under the policy. **We** will only pay for one member of the representative's firm to be present at the audit and **we** expect where possible that preparatory work prior to the audit and subsequent to it be done by junior members of staff.

At the end of the above process it will be apparent whether the audit can be drawn to a close or whether the Revenue has significant concerns about the accuracy of the returns.
